## Because Every Pound Matters

At ADEC, we believe in working towards a better future for Guatemala and its people.

As part of our mission, we are committed to support organizations that help those in need.

Since 1966 we have worked as a group to provide food staples, medical support, financial help and emergency relief. Today, we support 16 organizations.

**Mobile Clinic**

ADEC has built and reconditioned a mobile clinic with all the necessary equipment to provide medical attention and dental care.

Aiming to improve the lives of coffee farmers, so far 27,000 producers and collaborators have been provided with medicine, medical and dental care, free of charge to the beneficiaries.

If you would like to support our programs to increase the number of beneficiaries at Guatemala, feel free to contact us for more information.
